Tricky:

It's my world

It's my world

Costanza & Tricky:

Running

Breathing

Deceiving

Take and make

What you breath in

Know me

Show me

Hardly

No you can't A&R me

Costanza:

I pretend I don't exist

I close my eyes and wish

Taste like liquorice

& sound so devilish

Slide across the floor

Move a little more

Take a sip & pour

I've heard it all before

Costanza & Tricky:

It's my world

Gonna take it now

Make it now

Make it shout

All this green

Gonna make me mean

Make me dream make me skim

(2x)

Costanza:

They say where have you been

What you're leaving in

Clean crawl far

I could even more

(I'm feeling)

I should have to seesaw

(Kill)
I offer a 3 4
(I crawl across the floor)
So you live more
(In the day mix)
So you live more
(They play cheap tricks)

I pretend I don't exist
I close my eyes and wish
My thoughts are devilish
My thoughts are just a wish

Tricky:
It's my world
Gonna take it now
Make it now
Make it shout
All this green
Gonna make me mean
Make me dream make me skim

Costanza & Tricky:
It's my world
Gonna take it now
Make it now
Make it shout
All this green
Gonna make me mean
Make me dream make me skim

Tricky:
It's funny how you feel
The eyes in your head
The brain and spine
Releases fluid when you're dead
Then you start to see'd
Turning to something else instead
Something else was said
Someone else's sunset was red

Costanza & Tricky:
It's my world
Gonna take it now
Make it now
Make it shout
All this green
Gonna make me mean
Make me dream make me skim
(Repeated)
