Tricky:

Damn bam

Read the lines

Bleed succeed

We design

I couldn't care less

It's a killing time

We're killing mine

You're feeling fine

Running (?) every time and every sign

Every line and every crime

No snack, it bring you curse

No sweat, you like your worse

Strange fruit...

Changing bombs into ear gums

Running (?) every time and every sign

Every line and every crime

Tricky & Costanza:

Where I'm from

There's something wrong

Something wrong

I don't belong

(2x)

Please be still

Not for real

(2x)

Where I'm from

There's something wrong

Something wrong

I don't belong

Please be still

Not for real

Not for real

Not for real

Mike Black:

So you really want it

Yes, we got it

If you listen in then yes, you got
We want a company we're in
Let's do talk shit
I don't really want to have a problem til' (?)
I don't really want to have a problem til' (?)
All I really want to do is make this clear
We do bleed you
So deceive your mind and nose
When I don't see in
Wosen grosen (?) to a dream
It bozen dozen (?) to something
Hold it tight when cuts run deep
No one sees what you're hiding

Tricky & Costanza:
Where I'm from
There's something wrong
Something wrong
I don't belong
(2x)

Please be still
Not for real
(2x)

Where I'm from
There's something wrong
Something wrong
I don't belong

Tricky:
Please be still
Not for real
Not for real
Not for real

Costanza:
Such you gonna get
And you see ya
Something you don't wanna
You don't wanna see ya
La solita vita non modifica il mondo*
[The same life doesn't modify the world]
Solo e' se una donna puo' fermare l'onda
[Only if is a woman she can stop the wave]
Rosso fuoco viva nel mio petto
[Red as fire, alive in my breast]
Solo una parola c'e': rispetto
[There's only a word: RESPECT]
Scelgo, lo voglio non aspetto
[I choose, I want it I don't wait]

Che l'onore del l'onore del tuo scettro
[That the honour of the honour of your sceptre]
Blitz a Diaz, polizia
[Blitz in Diaz, police]
Blocco nero e' la tua spia
[Black block is your spy]
Non mi fermerò mai ai tuoi richiami
[I won't never stop to your recalls]
Corro più veloce della tua Ferrari
[I run faster than your Ferrari]

Tricky & Costanza:
Where I'm from
There's something wrong
Something wrong
I don't belong
(2x)

Please be still
Not for real
(2x)

Where I'm from
There's something wrong
Something wrong
I don't belong

Tricky:
Please be still
Not for real
