Take me to New York
I'm away from Rome
Oh what a nice the neighbourhood
Where the cops like to shoot
On the streets in queens
Fifty bullets and you're safe
You are a hero, you're so brave
You are a hero, you're so brave

Take me to New York
Oh what a nice the neighbourhood
Where the cops like to shoot
On the streets in queens
Fifty bullets and you're safe
You are a hero, you're a slave
You are a hero, you're a slave
You are a hero, you're a slave

Fifty bullets and you're safe
You are a hero, you're so brave
Fifty bullets and you're safe
You are a hero, you're so brave
