Constanza:

Round round

Round round

Constanza & Tricky:

I'm antimatter

I don't matter

Cancer phones

Break my bones

I'm illusion

Sonic solution

Magic mind

Sonic pollution

I just detox

I just see lots

I see nothing

Show me something

We go round and round

We make it safe and sound

I try to break it down

Alright

(2x)

(We go round)

I have visions

Homosapiens

Fast I've grown

I think alone

I'm confusion

Evolution

I'm in man cub

Institution

I move forward

I make awkward

I just jump jump

I just thump thump

We go round and round  
We make it safe and sound  
I try to break it down  
Alright  
(2x)

I evolve  
Then dissolve  
Maintain my laws  
'Til April falls

My sea runs red  
My trees are dead  
My breath runs short  
Please report

Is there someone out there  
Is there someone out there  
Do you receive me  
Do you receive me

We go round and round  
We make it safe and sound  
I try to break it down  
Alright  
(Repeated)
