Tricky:

Little blood clock
You could never test I
You come close
Just close my left eye
See with my third
The rest you never heard
Executive roosters
And pop producers
What you're used ta
I get looser
I can use ya, abuse ya
Fuck what you're used to
I'm gonna lose you
I'm not what I used to
I see thru ya
I see thru ya
I see thru ya

Costanza:

I'm needy
I'm greedy
Feed me
Give me some
I'm needy
I'm greedy
Feed me
Give me some

I keep it coming
I keep it coming
I'm running all the way
And while I'm running
And while I'm running
I'm gonna leave you far away

Perry Melius:

Who you down like
Who do you sound like
You sound like T
How he used to be
Keep on talking

Watch what he's making
You're in the bars
With your stars
You go far
You're up to par
You're in this next (?)
Your turn to flex

Costanza:
I'm needy
I'm greedy
Feed me
Give me some
I'm needy
I'm greedy
Feed me
Give me some

I keep it coming
I keep it coming
I'm running all the way
And while I'm running
And while I'm running
I'm gonna leave you far away
