Across the river Styx, into the shadow lands
My path has taken me, so here I stand.
The ground is soiled with blood, the wind wails
Together with the damned descended from their
graves.

I stare into the dark, I see the burning eyes
of all the demons who tormented me in life,
but that's al over now. I see much clearer now,
for I no longer serve.

[Chorus]

For I have come to rule where your God can't see.

I shall be legion so, so hell-walk with me.

Demons, gather round me. Hear me Azazel. Guide my
steps as I walk through hell.

Ascending steps of bone I see a giant throne with
screaming, tortured souls embedded
in the stone. My minions follow me, their overlord to be.
My wish is their command

[Chorus]

God since long dead, Satan's dethrones. The power
over you is mine alone.

There shan't be no second coming now. You see the
only thing that remains is your demise.
