[Music: Ericson/Tuthill, Lyrics: Tuthill]

You can't ignore the facts that they're all  
around your face  
A dripping mud like human form of  
hate has crossed your way  
Your decomposing rotten flesh has  
found its way into the soil  
The sun above your face is bright,  
and your skin begins to boil  
When your skin begins to boil

Wake up!  
Nailed to the past  
Wake up!

Who are you?  
In present times you're no one new  
Who are you?  
When you don't know we've  
passed on through

Scarred!  
Beyond repair you lick your wounds  
They've found you inside  
your hollow tomb  
Your try to scream for help,  
but you're no longer heard  
You're way passed the boundries  
and you're out of words

Wake up!  
Nailed to the past  
Wake up!

Who are you?  
In present times you're no one new  
Who are you?  
When you don't know we've  
passed on through  
Who are you?

Who are you? You're no one new!  
Who are you?  
Who are you? You're no one new!

[Solo: Dahlberg]

Who are you?  
In present times you're no one new  
Who are you?  
Who are you? You're no one new!
