[Music: Ericson/Tuthill, Lyrics:  
Tuthill/Harju/Wichers/Larsson]

This is the end  
A screaming silence in my head  
Like I was dead  
I walk the streets unseeing

Crawling inside  
The beast within me tears me apart  
The words that you spoke  
As a knife right through my heart

Let it all out, I'm wounded  
Shutting you out  
Stepping away from our past  
Let it all out, I'm wounded  
Shutting you out  
Stepping away from our past

You ripped out my heart and  
threw it on the wall of pain  
There's no ending, no start  
A pounding feeling that want's out

The screaming inside  
Echoes from a past so far away  
The tears that I cried  
Pouring down into my wound

Let it all out, I'm wounded  
Shutting you out  
Stepping away from our past  
Let it all out, I'm wounded  
Shutting you out  
Stepping away from our past

Your turned our love into pain  
You lied, denied, so now, goodbye  
I will never trust you again  
You lied, denied, why?

Let it all out, I'm wounded  
Let it all out, I'm wounded  
Shutting you out  
Stepping away from our past  
Let it all out, I'm wounded  
Shutting you out  
Stepping away from our past
