Take the silent pain  
Feel me through your brain  
Leave me alive  
Feel me inside

And if I should die  
All I leave are lies  
Your believing eyes  
So many useless lives

All there is  
Is all I know  
Worship me  
Give me your soul

Release to me

Release your pain  
Rip apart your shame  
Tear away your eyes  
So I leave you blind

What you want from me  
Is what I rape from you

Take away your eyes  
So I can lead your blind

Hold me inside your fears  
Hide behind their tears  
Sacrifice deny  
Never even question why

Give me your children  
Bring me your poor  
Sacrifice to me  
And I endure

All there is  
Is all I hold  
Pray for me  
Give me control

All there is  
Is all I hold  
Release to me  
Release your soul
