"Stay Awhile"

Stay awhile, let me hold you
Stay awhile, til I've told you
Of the love that I feel tonight
Oh, yeah, yeah

Stay awhile, what's your hurry
Stay awhile, cause I worry
Anytime that you're out of sight

I hated to see you go
Tell you what I'll do
I'll be good to you
I'll make you glad
That you are mine
So, come on, baby

Treat me right
Must you run now
For the night's
Just begun now

Honey, please
Stay awhile with me
Oh, yeah, yeah

I hated to see you go
Tell you what I'll do
I'll be good to you
I'll make you glad
That you are mine
So, come on, baby

Treat me right
Must you run now
For the night's
Just begun now

Honey, please
Stay awhile with me
Won't you stay awhile with me
Come on, baby
Stay awhile with me

Come on, darling
