Nineteen sixty-four
And we gone dance some more

You've got to
Keep up with the times
If you wanna be mine
So if you can do it
Let me know

Do it, do it, do it
Do it, do it, do it

I went to a hop the other night
(Other night, woo, other night)
The dance they were doing
Yeah, was out of sight
(Out of sight, woo, out of sight)

The way it looked
There was nothing to it
(Nothing to it, nothing to it
Nothing to it)

I knew right away
Even I could do it
(I could do it, I could do it
I could do it)

Do it, do it, do it
How do you do it

In a minute, I'll tell you
Get ready, I'm geting ready

(First step)
Put your left foot out
(Second step)
Put your right foot out
Real fast

(Third step)
Stick your right heel out

Bring it back
(Fourth step)
Stick your right toe out
Real fast

Do it, come on
Come on, come on...

Do you (shake it, baby)
(Shake) want my love
(Want my love, want my love
Want my love)

Tell me, tell me, baby
Do you want my love
(Want my love, want my love
Want my love)

(Fifth step)
Make a turn to the right
Turn around
(Sixth step)
Put your hands in the air
Bring em down

(Seventh step)
Jump in, jump out
(Eighth step)
Turn around, do it again

Come on, come on
Come on, come on

Got on the floor
Started moving to and fro
(To and fro, to and fro)
That's when I knew
I had to do it some more
(Do it some more, do it some more
Do it some more)

Do it, do it, do it
Can you do it, do it, do it
Yeah, yeah

Can you do it, do it, do it
Tell me, baby
Can you do it, do it, do it
I wanna know

Can you do it, do it, do it

Yeah, yeah
Can you do it, do it, do it
Tell me, baby
Can you do it, do it, do it
I wanna know...
