Bleed the fuck up!
Trapped inside, outside these walls, trapped inside,
outside myself
I try to escape from what is killing me.
They are suffocating me
They are destroying me
They are suffocating me
I feel the pressure grow inside, my mouth is dumb
I cannot scream, all these lights around, are
suffocating me.

They want my life, they want my soul
They wanna see the red inside my veins.
I'm bleeding now, life flows away
I cut my wrist, watching my blood flow.
I cut my neck, to let it go away.
Trapped inside, outside these walls, trapped inside,
outside myself
I try to escape from what is killing me.
