Don't wanna be like a cavy  
Don't wanna be just a number  
I feel Iâ€™m full of rage  
And Iâ€™m gonna escape  
Don't wanna be your door mat  
Don't wanna listen your orders  
I feel Iâ€™m like a slave  
But now Iâ€™m gonna explode  
Ehy you, how do you feel?  
Smashed through this fuckin' life  
Raped by the flow of time  
Shuffled like a cards pack  
Ehy you, where are you going?  
Your place is in your cage  
You have just to turn around  
When my hand says you must.

Going, I'm going away to escape this dead life  
Blinded by the light of progress  
I feel, my life is like a mechanism  
And now, Iâ€™m takin' this train to leave  
I walk around, I see these streets are binding me  
I look my face, I see my life is fading away  
Release your mind, listen the voice inside you  
Feed your dreams, listen the voice inside you  
Release your mind and follow you  
Feed your dreams and follow you
