VERSE 1

I'm caught up in the game and someone is to blame
this could just be the same so I really can't complain
I'm caught up in the punch I always take too much
I think it's just a crush so I do it for the rush
but don't you know I just can't help too yeah
oh you know I just can't help you yeah
and don't you know I just can't help but yeah
I'm caught up in the game and someone is to blame
this could just be the same so I really can't complain
I'm caught up in your touch and slowly is too much
i feel a little guilt but you know it's just a crush
but don't you know I just can't help too yeah
oh you know I just can't help you yeah
and don't you know I just can't help but yeah

CHORUS

I Can't stop the waves from crashin'
I Can't stop things that already happened
I Can't stop the waves from crashin'
I Can't stop things that already happened
I Can't stop the waves from crashin'
I Can't stop things that already happened
I Can't stop thinkin' about you
I Can't get you out of my mind

[Interlude]

[Chorus]

I really can't complain
I can't stop the waves from crashin
I can't stop things that already happened
I can't stop my hips from smashin'
