1 2 You

2 3 Me

Together we live on Bridge Street

I get my penis out of my pants

She grasps it with both hands and make it do a dance

1000 Bridge Street

Is the spot that we did meet

Then we fucked each other

I practised on my sister

She practised on her brother

And we sexed the night away

1 2 Poo

2 3 Pee

Together they live on Bridge Street

She takes off her dress and I took out my worm

Then I pumped her full of sperm

1000 Bridge Street

Is the spot that we did meet

Then we fucked each other

I practised on my sister

She practised on her brother

And we sexed the night away

1000 Bridge Street

Is the spot that we did meet

Then we fucked each other

I practised on my sister

She practised on her brother

And we sexed the night away

1 2 You

2 3 Me

Together we live on Bridge Street

I get my penis out of my pants

She grasps it with both hands and make it do a dance
