He can last
And he's fast
He's groovy or maybe not so dot so cot so a lot

But he doesn't sew a lot a lot a lot
And he doesn't sew cots
And he doesn't sew dots
And he doesn't sew a lot of dots on cots

Because he's groovy when he does move
He goes berserk
He's groovy in a movie
But he spams a lot in a dot
And for all we know in a cot

Red, yellow, blue, green
You know what I mean
Question mark doesn't mean anything
A-spork, a-spork, a-spork
It doesn't mean a lot in a cot or a dot

Because he's groovy when he does move
He goes berserk
He's groovy in a movie
But he spams a lot in a dot
And for all we know in a cot
