"Your Eyes"

Your eyes opened wide as I looked your way
Couldn't hide what they meant to say
Feeling lost in a crowded room
It's too soon for a new love

When you smile your eyes show your heart
Lost inside a suit torn apart
Feeling alone with people around
True love is hard to find now
You think you're so misunderstood
I'd explain if only I could
Something tells me
This time it's real
The way that I feel

Your eyes like the blue in the summer skies
Caught my gaze as I look across
Feeling lost in a magic maze
It's too soon for a new love

You can't hide that look in your eyes
Open wide you seemed so suprised
Searching around for somebody new
True love is hard to find now
When you smile your eyes show your heart
I feel mine is falling apart
Can't you see the way that I feel
My loving is real

Your eyes opened wide as I looked your way
Couldn't hide what they meant to say
Feeling lost in a crowded room
It's too soon for a new love

When you smile your eyes show your heart
Lost inside a suit torn apart
Feeling alone with people around
True love is hard to find now
You think you're so misunderstood
I'd explain if only I could
Something tells me
This time it's real

The way that I feel

When youre lost your eyes shows your heart
I should like to know I'm a part
When your eyes shine I know youre mine
For all of the time
