Got you on my mind  
Feeling kind of sad and low  
Got you on my mind  
Feeling kind of sad and low

Wondering where you are  
And wondering why you had to go

Tears begin to fall  
Every time I hear your name  
Tears begin to fall  
Every time I hear your name

Since you went away  
Nothing seems to be the same

No matter how I try  
My heart keep telling me  
That I can't forget you  
If it should ever be that  
You want to come back to me  
Gonna let you

Got you on my mind  
Feeling kind of sad and low  
Got you on my mind  
Feeling kind of sad and low

Wondering where you are  
And wondering why you had to go  
Wondering where you are  
And wondering why you had to go
