Me got a wish on me mind
It is a chocolate chip kind
Me look at you and me tell
You may have snickerdoodle

Me trade me soul for a bite
Me spell it out black and white
Me look at you and me see
You like an elf in a tree

You, cookie-showing
And me hunger growing
Letâ€™s get skim milk flowing
Weâ€™ll start this snack going baby

Hey, me just met you
And this is crazy
But you got cookie
So share it maybe

Itâ€™s hard to look at
Your snack baby
But you got cookie
So share it maybe

Hey, me just met you
And this is crazy
But you got cookie
So share it maybe

Cuppy-cake with frosting
It no phase me
But you got cookie
So share it maybe

You took you time with the bite
Me trying to stay polite
Me start to really freak out
Please someone call the girl scout

Me no grumble or grouse
Itâ€™s taking toll on me house

Me going off me rocker
Please give me Betty Crocker

You, cookie-showing
And me hunger growing
Letâ€™s get skim milk flowing
Weâ€™ll start this snack going baby

Hey, me just met you
And this is crazy
But you got cookie
So share it maybe

Itâ€™s hard to look at
Your snack baby
But you got cookie
So share it maybe

Hey, me just met you
And this is crazy
But you got cookie
So share it maybe

Pie and ice cream
It no phase me?
But you got cookie?
So share it maybe

Before you came into me life
Me missed you so bad
Me missed you so bad
Me missed you so, so bad

Before you came into me life
Me missed you so bad
And you should know that
Me missed you so, so bad

Itâ€™s hard to look at
Your snack, baby
But you got cookie,
so share it maybe

Hey, me just met you
And this is crazy
But you got cookie
So share it maybe

Chocolate pudding
It no phase me
But you got cookie

So share it maybe
