"Follow The Leader" By Eric B. & Rakim. (E. Barrier - W. Griffin)

Follow me into a solo, get in the flow,  
And you could picture, like a photo,  
Music makes mellow, maintains to make,  
Melodies for MCs, motivates the breaks.  
I'm everlasting; I can go on for days and days,  
With rhyme displays that engrave deep as x-rays.  
I can take a phrase that's rarely heard,  
Flip it... now it's a daily word.  
I can get illin' at normal killin',  
Bambino along, Rakim'll remain calm.  
Self esteem make me super superb and supreme.  
Before a microphone, still, I fiend.  
This was a take, I wasn't supposed to break,  
I was supposed to wait, but let's motivate.  
I wanna see 'em keep followin' and swallowin',  
Takin' the makin', bitin' and borrowin'.  
Brothers try and others die to get the formula,  
But I'm a let 'cha sweat. You still ain't warm,  
You a step away from frozen, stiff as if you're posin',  
Dig into my brain as the rhyme gets chosen.  
So follow me, and while you're thinking you were first,  
Let's travel adventitious at speeds around the universe.  
What could you say as the earth gets further and  
further away,  
Planets as small as balls of clay?  
Astray into the Milky Way, world's out of sight,  
As far as the eye can see, not even a satellite.  
Now stop and turn around and look.  
As you stare into the darkness, your knowledge: took!  
So keep starin', soon you suddenly see a star.  
You better follow it 'cause it's the "R."  
This is a lesson. If you're guessin' and if you're  
borrowin',  
Hurry hurry step right up and keep followin',  
The Leader.

Follow the leader.

Rakim'll say, "Follow the leader!"

Rakim'll say, "Follow the leader!"

Rakim'll say, "Follow the leader!"

A fear if I freestyle lyrics-a-fury,  
My third eye make me shine like jury.  
You're just a rented rapper, you're rhymes are minute-  
maid,  
I'll be here when they fade, I'll watch you flip like a  
renegade.  
I can't wait to break and eliminate,  
On every trade of my snake so stay awake.  
And follow and follow 'cause the tempo's a trail,  
The stage is a cage, the mic is a third rail.  
I'm Rakim, the fiend of a microphone.  
I'm not him, so leave my mic alone.  
Soon as the beat is felt, I'm ready to go,  
So fasten your seatbelt 'cause I'm about to flow.  
No need to speed, slow down and let the leader lead.  
Word to Daddy... Indeed!  
The "R's" a rollin' stone, so I'm rollin',  
Directs the tone then rhymes are stolen.  
Stop buggin'! A brother said, "Dig him?" I never dug  
him.  
He couldn't follow the leader long enough so I drug  
him.  
It's a danger zone, he should arrange his own,  
Face it, to space it, grace it, change the tone.  
There's one "R" in the alphabet.  
It's a one letter word and it's about to get,  
More complex from one rhyme to the next.  
Eric B., be easy on the flex.  
I've been from state to state. Follow us. Tailgate.  
Keep comin', but you came too late, but I'll wait.  
So back up your group, get a grip, come equipped.  
You're the next contestant. Clap your hands. You won a  
trip.  
The price is right. Don't make a deal too soon.  
How many notes? Could you name this tune?  
"Follow the Leader" is a title they task.  
Now you know; you don't have to ask.  
Rappers' rhythm and poetry, cuts create sound effects.  
You might get junked if you follow the records he  
wrecks.  
Until then, keep eatin' and swallowin'.  
You better take a deep breath and keep followin'  
The Leader.

Follow the leader.  
Rakim'll say, "Follow the leader!"  
Keep followin'.  
Rakim'll say, "Follow the leader!" Rakim'll say, "Follow  
the leader!"  
The "R!"  
Rakim'll say, "Follow the leader!" Rakim'll say, "Follow

the leader!"  
Rakim'll say, "Follow the leader!" Rakim'll say, "Follow  
the leader!"  
Rakim'll say, "Peace."  
Rakim'll say, "Follow the leader!" Rakim'll say, "Follow  
the leader!"  
Rakim'll say, "Follow the leader!" Rakim'll say, "Follow  
the leader!"  
Follow the leader.  
Rakim'll say, "Follow the leader!" Rakim'll say, "Follow  
the leader!"  
Rakim'll say, "Follow the leader!" Rakim'll say, "Follow  
the leader!"  
Rakim'll say, "Follow the leader!" Rakim'll say, "Follow  
the leader!"  
Rakim'll say, "Follow the leader!"  
Follow the leader!
