Now provided I don't forget the words to this song
We'll do this song
Yea

If I told you I'm scared I probably told you a thousand
times
It's not easy for me to be there when I'm cryin
When the weight of this world is holdin' me down
It's hard for me not to fall to the ground
To the ground

I apologize for the way I've been
Just no that I still love you
The way that you laugh and the way that you smile
If I could I would walk a hundred miles
Hundred miles

I'm Sorry
Because I never told you how much I loved you how
much I needed you
I'm sorry
Cuz I never took the time to do all the things
I know you needed I mean
I mean

If it's what you need

Then I'll gladly write a letter everyday
Get down on my knees with you and pray
Ask God for the strenght to hold on
He'll be there with us
He'll keep both of us strong
We'll be strong

I'm sorry
Because I nerver told you how much I loved you how
much I needed you
I'm sorry
Cuz I never took the time to do all the things I know you
needed I mean
I mean

I know I'm not the best one
Not the best by far
All I know is when I'm with You
Joy fills my heart

I'm sorry
Because I never told you how much I loved you how
much I needed you
I'm sorry
Cuz I never took the time to do all the things
I know you needed I mean
I mean
