Aww here it goes

Everybody out there go run and tell  
Your homeboys and home girls it's time for Keenan  
and Kel  
They keep you laughing in the afternoon  
So, don't touch that dial or leave the room

'Coz they're always into something  
It's fun and you don't wanna miss it  
It's double K, like 2 the good radius  
Keenan and Kel or should I say Kel and Keenan

But you gotta watch Keenan 'coz  
Keenan be scheming  
With a plan or a plot  
To make it to the top

But they kinda in the middle  
'Coz they're always gettin' caught  
This ain't the Hardy Boys or a Nancy Drew mystery  
It's just Keenan and Kel in your vicinity

Like Seigfried and Roy, Stan and Costella  
Magic and Kareem or Penn and Teller  
Somebody's in trouble

Aww here goes  
On Nick, Ni, Nick, Nick, Ni, Nick, Nick, Nick
