I love it when weâ€™re cruisinâ€™ together
I love it when weâ€™re cruisinâ€™ together
Baby get in we fixinâ€™ to cruise till we canâ€™t
You got the drink I got the denk and we done stopped
at the bank
Sunbeaminâ€™ this weekend heading down that beach
way
Messinâ€™ with my girlâ€™s hair one of them games that
we play
Braids bouncin to the beat feel me coming down the
street
She gotta be a freak if sheâ€™s sittinâ€™ next to me so
Shine up your hoopty and fall in line
Bring your honey if sheâ€™s fine and we gon have a
good time
To the outskirts of first buzzin off the erky jerks
Swoopin while I puts in work now watch me skirt
I heard â€™em callinâ€™ me but then I ball and see
Cause if youâ€™re ballinâ€™ me you got your own set of
keys
The breeze is hittinâ€™ donâ€™t think youâ€™ll catch me
strippinâ€™
40 thevz wino and gat got that back when weâ€™re
dippin
To the west coast down south in your direction
Throwin up the hood cruisinâ€™ come on we jettinâ€™

I love it when weâ€™re cruisinâ€™ together
Cruisinâ€™ is made for love
Cruisinâ€™ is made for us
I love it when weâ€™re cruisinâ€™ together
Cruisinâ€™ is made for love
Cruisinâ€™ is made for us

Come on in my lap get in anâ€™ twist the cap
Hand him the jizz back clown up the coast like that
Take a ray all nice in back seat pete
Just do a rollinâ€™ top down ready to hit the street
Shoulder to shoulder turn their heads cause itâ€™s a
black thing
Sport in a â€™vette brings me strapped wonâ€™t be no
jacket

Consider that chocolate, mixed with that tie
Wind be on my neck the beach caress my thighs now I
hope he's high
Ready to get my groove on so I'm playing teams
Know when he's feelin' me, and what those feelin's
be
Kinda' flossy cause tossy we do it on seat tip

Snuggled up freaky dick give the drink a sip
Leaning on his chest I feel security
Just my man and me against the world you
understandin' me
Cruisin' till the sunsets yep we'll be headin' out
Dippin' through the city me and my niggys what I'm
talkin' about

I love it when we're cruisin' together
Cruisin' is made for love
Cruisin' is made for us
I love it when we're cruisin' together
Cruisin' is made for love
Cruisin' is made for us

Sunday afternoons in the tape deck
My woman's on the right lookin' bomb for this trek
deck
Floatin' on the freeway at a cool 65
Malika rolls the top so's I can feel that rocky mountain
high yeah
Take the wheel while I shake off this hairbrush
Yep I'm down the bus like no one like what
Watchin' the sunset be the flyest with the top down
Park up at the spot I ain't gonna front I'm tryin' to
mess around
Your homies still around
Yeah they busy though
That's all I need to know roll up the windows and lock
the door
It's all that poppin' on that cooze got me worked up
Turn up the beat and bump in-between the seats some
Yeah that's how we do it on the western hemisphere
All my homies be a man cause ain't no pretendin'
Cruisin' feel the wind blow my brain back
Trippin' off into the night bumpin' to a fat track yeah

I love it when we're cruisin' together
Cruisin' is made for love
Cruisin' is made for us
I love it when we're cruisin' together
Cruisin' is made for love
Cruisin' is made for us

I love it when weâ€™re cruisinâ€™ together
Cruisinâ€™ is made for love
Cruisinâ€™ is made for us
I love it when weâ€™re cruisinâ€™ together
Cruisinâ€™ is made for love
Cruisinâ€™ is made for us
