Hey, come on, come along take a ride  
There's a party over there, that ain't no jive  
It's live, live, it's all the way live  
Don't even have to walk, don't even have to drive  
Just slide, slide, slippity slide  
Just forget about your troubles and your nine to five

And just sang along, that's what you do, just sang  
along  
Now the groove's so funky, hey, what do you think?  
What is it called? It's called the lakeside strength  
(Come along and ride on a fantastic voyage)

I'm the captain of this vessel  
We wanna take you on a cruise  
All around land, music is at hand  
Huh, we wanna play it for you

You see  
(We want to be)  
We want to be  
(Your crew of entertainers)  
Jam to the music  
(Jam to the beat)  
Jam, yeah  
(Don't let nothing restrain you)

We just want you to feel, nothing but pleasure  
(Pleasure)  
Musical pleasure  
(Yeah, yeah)  
Our music is very real  
(It's really real)  
Truly a treasure  
(A treasure)  
Musical treasure

Come along, pack your bags  
Get on up and jam y'all  
Come on and ride on the funk, y'all  
(Come along and ride on a fantastic voyage)

We're the directors of this crew ship  
And you are under our command, yeah  
What you should do is take a lesson too  
So you can understand

You know  
(We like to see)  
People havin' a good time  
(Everybody happy)  
Do you wanna party?  
(We create the beat)  
That foot stompin' music  
(That keeps the people dancin')

We just want you to feel  
(We just want you to feel)  
Nothing but pleasure, musical pleasure  
(Want you to feel)  
'Cause music is a world of fantasy  
(It's a fantasy)  
Let's live it together  
(A pleasure)  
Musical pleasure

Come along, pack your bags  
Get on up and jam y'all  
Come on and ride on the funk, now  
(Come along and ride on a fantastic voyage)  
Come along, ride the funk, hey bring it on  
(To the land of funk)  
(Come along and ride on a fantastic voyage)

(Do you wanna ride with me?)  
Come along and ride on a fantastic voyage  
(Do you wanna go? Ahh)  
To the land of funk, funk, funk  
To the land of funk, to the land of funk, to the land of  
funk

If you're ready to party and you wanna get down  
Bring your Ma, your Pa, and Brother James Brown  
Bring Auntie Em and Toto too  
And all the party people to do their do  
We'll dance and party till the early light  
And say, ?Hey, we're feelin' alright?

So come along, come on take a ride  
There's a party over there, that ain't no lie  
We're leavin' here in a cloud of smoke  
And th-th-that's all folks

Come along and ride on a fantastic voyage  
(Do you wanna go? Do you wanna go?  
Do you wanna go? Do you wanna go? Ahh)  
Come along and ride on a fantastic voyage  
(Come on, come on, come on)
