As I walk through the valley of the shadow of death

I take a look at my life and realize there's nuthin' left

'Cuz I've been Singing and forgiving so long, that

Even my Chior thinks that my mind is gone

But I ain't never crossed a man that didn't deserve to
be reconciled

Me be treated like a rabbi you know that's unheard of

You better watch how you're talking, and where you're
walking

Or you and your Freinds might be burnin in hell

I really hate to sin but I gotta loc.

As I Grow I see myself in the clouds of heaven, fool

I'm the kinda Good preist, the parish wanna be like

on my knees in the night, saying prayers in the
streetlight.

Been spending most their lives, living in the holy
paradise

Been spending most their lives, living in the holy
paradise

Keep spending most our lives, living in the holy
paradise

Keep spending most our lives, living in the holy
paradise

(He Relizes his Fate)

The ghetto situation, they got me facin'

I can't live a good life, I was raised with the horns

So I gotta be down wit the demons and the minions of hell

Too much watchin preechers in the park got me chasing dreams

I'm an educated fool with satain on my mind

Got my tin in my hand and a gleam in my eye

I'm a loc'd out satanist set trippin' banger

And my parish aint around so arouse my anger, fool

Death ain't nothing but a heartbeat away,

I'm living sinful life, do or die, what can I say

I'm 41 now, but will I live to see 43

The way things are going I don't know but i hope not

because it will be the sooner that i will the man in black.

Tell me why humans are so blind to see

That the one we hurt, is the ones that is waiting for me

Been spending most their lives, living in the satanic paradise

Been spending most their lives, living in the satanic paradise

Spending most our lives, living in the satanic paradise

Spending most our lives, living in the satanic paradise

preaching and the teaching, teaching and the preaching

Minute after minute, hour after hour

Everybody's praying, but half of them ain't relizing what we are doing

What's going on in the kitchen, but I don't know what's

cookin'

They say I gotta forgive, but nobody's here to teach me

If they can't understand it, how can they reach it

I guess they can't, I guess they won't

I guess they front, that's why I know my life is full of
sin, fool

Been spending most their lives, living in the satanic
paradise

Been spending most their lives, living in the satanic
paradise

Spending most our lives, living in the satanic paradise

Spending most our lives, living in the satanic paradise

Tell me why are they, so blind to see

That satain is the one for WE, are you and me

Tell me why are we, so blind to see

That the one for you and Me
