Hocus focus on the mighty mic loco

Me and the Forty dump yo ass like a pogo

Make your crew disapeer like Dorothy and Toto

Your trippin on me because your girl want my photo

Nigga, you better chill before I send my homie home
with your hoe

Fools get ca-reemed when they steps into my dojo

It's the ghetto witch doctor sprinklin herbs on the voco'

I deliver hits like my name was FujiMoto

Platinum and gold all the way to Acalpuco

To all rappers international, domestic, and loc-al

Step to the fo or get your ass rolled up like a Rollo

Your points need bifocals

You better try to see like Total

My name ain't Ralph Lauren but I'll play your ass like
polo

I kick a solo

From here to Sojo

You ain't no man eater, nigga, so your hoe style is no

[Verse 2, Ras Kass:]

I'm stickin niggaz like Mexican's in penitentiaries

The niggaz is flinchin, see everytime the homies mention me

Grew up off Avalon and Century

With a hundred ways of illegal en-ta-ry

Can't injure me

My momma fucked the Unibomber that's why I'm blowin shit to

Smithareens

I'm like (Wu-Wu-Wu-Wu! Wee!)

The nigga flying guillotine (Ha-ha!)

The illest things I bring that not even DeVante could swing

Before a nigga serve me, his seventy-six is a winter green

Fuck your team (nigga)

Crowbar eatin niggaz up like Edy, I mean (I mean)

It's time we started servin niggaz like they was dope fiends (Right)

I smoke all label rosters when I rock like the thing

In the bucket doin ninety-five like Rodney King

Extreme animosity, your ultimate adversary

I'm like white blood cells fightin' H.I.V. inside a capillary (Bitch)

I'll beat that ass blindfolded like a pinata, scary,

My prom night I was fuckin Carrie,

Had her screamin "Bloody Mary!"

[Chorus:]

[Verse 3, Coolio:]

Alright, wait, wait, wait

From Compton to Dakota
And when I drop I'm gonna crush all these busta's like a
boulda
So grab your hoe (hoe), and see if you can hold hu
(hold her)
I put bitches and pets on a fantastic voyage on a ship
like Noah

Wake that ass up like Folger's
Give the people what they want a little bit more-a
You don't know the score
What the hell you comin here for?
Whip that ass like grandpa used to do when he was
sore
It's the hardcore
Take your whole hood to war
It's time for all the bitch ass niggaz to hit the door
Go home and get your pen and brush up on your
metaphors
It's the forty muskateer, cuttin that ass up with swords
You be the prey, I'll be the predator
Bring the feather to that ass so niggaz call me Thor
