As I walk through the corridors of my dildo shop  
I take a look at my cock and realize its fallen off  
"cause I been suckin' and fuckin' so long  
That even my momma thinks my dick ain't that long  
But I ain't never crossed a gay that did deserve it  
He be treated like a gimp you know that's unheard of  
Ya betta watch who you suckin' and who ya fuckin'  
"cause you and your homos might be men all along  
I really like the dick and when he shoots his load  
As of now I see myself in the semen moat  
Homo, I'm the kind of gay that all you hermie's wanna  
be like  
Suckin' dick on their knees for crack in the street lights

Repeat Chorus 4x:  
Been spending most my life  
Livin' in a hermaphrodite's paradise

Oh ah ohhhhhhhh

They got the phallus which I am now facin'  
I ain't never thought I could deep throat  
But I gotta take it deep for the hermies  
Too much dickie suckin' got me chasin' police  
I'm an ugly lookin' hermie with penis on the mind  
Got a 10ft rubber dildo, and some sperm in my eye  
I'm a low down dirty homo trippin' faggot  
And when the hermies go down I don't wanna rouse  
their anger  
Fool, ain't nuthin' stoppin' me from givin' them some  
pussy  
But I live life as a hermie, what can I say  
I've got a 4 incher but will it fit in his ass  
But the way things are goin' I don't know

Tell me why, are we so gay as me,  
And ass ram the ones likes you and me

Repeat Chorus (4x)

Penis, after penis, ass after ass  
Rapin' after rapin', semen after semen

Everybody's leavin' but I don't think I can take it  
Take it out of my colon  
"cause I think I'm bleedin'  
They say I gotta learn how to suck it  
But no gimp's here to teach me  
If they can't understand then how can they rape me  
I guess they will, I guess it's soon  
I guess I'm fucked  
That's why I gotta live life with an ass plug

Repeat Chorus til end
