We breakin' up Monday, Tuesday
We blowin' dubs Wednesday, Thursday
She shake it up Friday, Saturday
I beat it up all day on Sunday

It was on
The very first time that I met
That leather was fittin'
That a** in that skintight sweater
Was curvin' around that body
And I painted a picture in my mind
I wrote a letter 'bout us gettin' together
Green eyes, dark hair, honey brown complexion
I was rollin' in a bucket, she was rollin' a Lexus, I
sweat it
Now we can do the damn thing if she wanna
If she don't, I'm just satisfied with Ben and Cerconas
Drink Coronas just as long as she don't leave me alone
I can name 50 n****s now that wanted to b*** her
But they didn't, now I'm happy 'bout the place that
I'm sittin'
Didn't buy s***, my name is still on her kitten
Written in platinum, she don't just love me for
rappin' and actin'
She love my mind, the way I'm dippin' and matchin' my
blackness
Her reactions are like fatal attraction
She jackin' and blastin' and ridin' for the man that's
she rackin'

We breakin' up Monday, Tuesday
We blowin' dubs Wednesday, Thursday
She shake it up Friday, Saturday
I beat it up all day on Sunday

So shake it up (Shake it up)
Do your thing little mama
Shake it up (Shake it up)
Bend over, touch your toes and
Shake it up (Shake it up)
I like the way you move that
Shake it up (Shake it up)

Just shake-shake-shake-shake-shake (Shake)

She my main squeeze, my only thang, maintains
Sometimes the s*** that I be sayin'
She the only one that understand
She my Boo, my freak, I know that I'm her main man
So f*** these h***s and bulls*** n****s with these
same gangs
I let my chain hang and still claim the same thang
And even when she don't love me, I'm the same man

N**** that she call when she needs somebody to talk
to
her
Hit her from the back, yell at E and walk wit' her
She got a lot to offer, look what she brought with her
She got brains and taps that leave n****s to stalk
with her
She don't care about the houses, cars, sex and
bling-bling
Even though 9 and a half inches is a big thing
She ain't the type that be creepin' or sleepin'
And jumpin' in other n****s jeeps and
When I'm out of town on business
When I'm on a mission to put us in a position
Where we don't have to do nothin'
But show the love and kick it, live it

So shake it up (Shake it up)
Do your thing little mama
Shake it up (Shake it up)

Shake it up (Shake it up)
