Yeaaa

you found me here  
waiting for your chance  
you would reach inside and take of me  
your want your lies  
smothering again  
but now you cant

dont leave and try  
your wasting time  
come back ill beat ya down  
turn around  
im fightng the weak of you  
push you away  
ill never break  
its over now  
im turning my back on you

i turn around  
there you are  
i blink and flash  
back to you agian  
you push me down  
tried to steal it all  
this time i push you back

dont leave and try  
your wasting time  
come back ill beat ya down  
turn around  
im fightng the weak of you  
push you away  
ill never break  
come back ill beat ya down  
its over now  
im turning my back on you

ohhh you  
elctricity  
go ahead and try  
go ahead and try  
I

dont leave and try  
your wasting time  
come back ill beat ya down  
turn around  
im fightng the weak of you  
push you away  
ill never break  
come back ill beat ya down  
its over now  
im turning my back on you
