T N T pass it around
Cause I believe I'm gonna need help
Give it to me
Defending my streets

My weapon won't fail when the button's pressed
Dynamite
Your guns won't win the wild west

Blowin sky high tonight

Blowin sky high
And you don't like me
Hostility cause I don't like you
Assassins and thieves
All the cops on the beat won't help me survive
Thank heaven the righteous ones
Dynamite
Thank God for the bravery i possess
We're all blessed

Blowin sky high tonight
Well I have no na na na na (???)
Blowin sky high
Blowin sky high
Kiss it all goodbye
What I need...(???)

TNT what I need
TNT all I need give it to me
