"Highway To Dangerzone"

Revin' up your engine
Listen to her howling row.
Metal under tension
Begging you to touch and go

Highway to the danger zone
Going right into the danger zone

Heading into twilight
Spreading out her wings tonight
She's jumpin' off the deck
Shovin' into overdrive

Highway to the danger zone
Going right into the danger zone

Closer to the edge
Higher the intensity
Futher to the edges
Allways where I burn to be

Highway to the danger zone
Going right into the danger zone
