I still wear a locket with a picture
Of you and me by the river
Was it that long ago?
I can still feel that chill of September
All the leaves falling down
Just like they are now as I stare out my window

I'm not missing you, not missing you
You're no longer a part of my life
Now, if only my broken heart knew
I'm not missing you

Got your sweater on, you know the one
That I gave you that you never wore
Guess I'm better off, that you didn't like the color
'Cause it keeps me warm
All the memories neatly penned
On the pages of the journal
Full of things I'm still holdin' onto
That I should've lost long ago

I'm not missing you, not missing you
You're no longer a part of my life
Now, if only my broken heart knew
Not missing you

A knock on the door, a telephone ring
A card in the mail, I wanna believe

Not missing you, I'm not missing you
You're no longer a part of my life
Now, if only my broken heart knew
I'm not missing you
I'm not missing you
I'm not missing you
