Sometimes I think I'm well on my way
Sometimes I think that I did okay
Bu every time that you come around
My whole world turns upside down

And it hurts just a little
More than a little
Tear's gonna fall if I'm not careful
It hurts just a little
When I see you
Every time I see you

I used to think when I turned out the lights
I'd find peace in the dark of the night
But you'd come creepin' into my dreams
And I found out just what it means

To hurt just a little
More than a little
Tear's gonna fall if I'm not careful
It hurts just a little
When I see you
Every time I see you

Every time you come around
My whole world turns upside down

It hurts just a little
More than a little
Tear's gonna fall if I'm not careful
It hurts just a little
When I see you

Yeah, it hurts just a little
More than a little
Tear's gonna fall if I'm not careful
It hurts just a little
When I see you
