

Bering Strait **"Only This Love"**

Visit "[Only This Love](#)" on MotoLyrics.com

I have searched for
Longed for, hurt for
Never wanted more
Than only this love, only this love

In your kiss, your touch
I find so much
Here with the two of us
And only this love, only this precious love

Who knows what tomorrow brings
The answer's somewhere above
Still the night whispers silently
We'll always be
In this love

Who knows what tomorrow brings
The answer's somewhere above
Still the night whispers silently
We'll always be
In this love

I have searched for
Longed for, hurt for
Only this love
