Watching every motion
In my foolish lover's game
On this endless ocean
Finally lovers know no shame
Turning and returning
To some secret place inside
Watching in slow motion
As you turn around and say
Take my breath away
Take my breath away
Watching I keep waiting
Still anticipating love
Never hesitating
To become the fated ones
Turning and returning
To some secret place inside
Watching in slow motion
As you turn around and say
Take my breath away
Take my breath away
Through the hourglass I saw you
In time you slipped away
When the mirror crashed I called you
And turned to hear you say
If only for today
I am afraid
Take my breath away
Take my breath away
Watching every motion
In this foolish lover's game
Haunted by the notion
Somewhere there's a loving flame
Turning and returning
To some secret place inside
Watching in slow motion
As you turn around and say
Take my breath away
My love
Take my breath away
My love
Take my breath away

Take my breath away
