We can be lovers again
We can find friendship once more
We can do anything we want

Leaving the past behind
Forgiving all the things said
This is the start of something new

Now that the healing's done
We can be any place on earth
Underneath the sun
Now that the healing's done

Now that the healing's done
We can be any place on earth
Underneath the sun
Now that the healing's done
We can be lovers again

Ohh... yeah yeah...

Looking into the fields
We can dance to the laughter
That we hear inside ourselves

No more feelin' afraid
And no more passin' the blame
This is the start of something new
We can be lovers again

Now that the healing's done
We can be any place on earth
Underneath the sun
Now that the healing's done

Now that the healing's done
We can be any place on earth
Underneath the sun
Now that the healing's done
We can be lovers again...

Ohh... yeah yeah...

Now that the healing's done
We can be any place on earth
Underneath the sun
Now that the healing's done

Now that the healing's done
We can be any place on earth
Underneath the sun
Now that the healing's done
We can be lovers again...
