I'll be your slave.

So Ravishing.

I love you.

I've abandoned all senses.

Here I'm yours.

In my life now earth

And

Fire, water and, you

My venus sun.

To your sun fire.

Touch me when you're here.

I will feed your fire!

My venus sun.

To your sun fire.

And everything you need.

I will feed your fire!

And I was meant to be your lover.

I was meant to be your lover.

Lover...

My venus sun.

To your sun fire.

And everything you need.

I will feed your fire!

And I was ment to be your lover.

I was meant to be your lover.

Lover...
