Ooh...  
Waiting for a thousand years  
Sailing on a thousand tears

Seasons in your mind,  
Colours they change  
With the passing of time  
You'll find your way  
You'll find your way...

Ooh...  
Waiting for a thousand years  
Sailing on a thousand tears

Signs set in stone  
Follow the river  
Wherever she flows  
You'll find your way  
You'll find your way...

A new day has begun,  
Now that you're standing  
In the warmth of the sun  
You'll find your way  
You'll find your way...
