Arabian sand
Feel it slipping through your hands
Arabian sand

Arabian sand
A madness you can't understand
Arabian sand

The mad man's in the desert
Look out behind you
The mad man's in the desert
Looking to find you

The mad man's in the desert
Promised the future
The mad man's in the desert
He's looking to shoot you down
In the desert

The mad man's in the desert

Arabian sand
Feel it slipping through your hands
Arabian sand

Arabian sand
Swear an oath and take a stand
Arabian sand

The mad man's in the desert
Look out behind you
The mad man's in the desert
Looking to find you

The mad man's in the desert
Promised the future
The mad man's in the desert
He's looking to shoot you down
In the desert

The mad man's in the desert

Can you dance with the lepers
In the mad man's house
