"Fireflies"

Visit "[Fireflies](#)" on MotoLyrics.com

I walked by the window
And stopped in the light
I stood there watching
The fireflies
went down to the ocean
In search of a song
Where ever I'm going
That's where I belong

Ref:
Fireflies, fly on by
You will never, ever see me cry
You won't see me cry
You won't see me cry

Sand puddled pavements
Appear on the shore
If you ask for nothing
You'll get nothing more
I walked by the window
And stopped in the light
I stood there counting the fireflies

Ref 2x

I'm watching fireflies
Watching fireflies
(repeat and fade out)
