I can see through you
I can see through you
I can see through you
I can see through, I can see through
I forgot my name, I forgot my name
On memory lane I forgot my name
I forgot my name, I forgot my name
This is not a game
When I forgot my name

I can see through you
I can see through you
I can see through you
I can see through, I can see through

I forgot my name, I forgot my name
Isn't that a shame, but I forgot my name
I forgot my name, I forgot my name
On memory lane I forgot my name

I can see through you
I can see through you
I can see through you
I can see through, I can see through
