We went walking in the winter  
It was the coldest  
Time of year

It's where I handed you a letter  
You turned around  
I disappeared

It said someday  
I'll find my way  
And we'll go walking  
In the winter

It's so hard to make a living  
When the world  
Is so unkind  
But it's not something  
That you're given  
It's something that  
You've got to find

It said someday  
I'll find my way  
And we'll go walking  
In the winter

It's o.k. to close your eyes  
Those silver sailing ships  
Go sailing by  
It's all your mind  
It's gonna be alright  
This time

[Instrumental]

Seasons change  
Into summer  
Fires burning in the dark  
I hope sometimes  
You read my letter  
And know I had to

Play my part

It said someday  
I'll find my way  
And we'll go walking  
In the winter
