J.R.

Let's give em a shock man

This is critical

I'm rollin out and it's about

Get physical

How you like me now, like me now

Down on the floor

You better lose your breath til there's nothin left

Then scream for more

Scream for more..yeah

Heart beatin faster and faster

Just see the green; let's go

Tryin so hard just to catch it for it's about you

Let's go

I got the fire: it's burnin

I need somebody to know

Movin so quickly; it's crazy

Fallin right out of my clothes

Bodyshock

Tryin to keep up your heart might stop

Bodyshock

Go to work; make your body hurts

It's a BODY-SHOCK

Break your body off

Everybody who's out on the floor

Just work your body; some more

Hot like fire

Take it to the dancefloor

Hot like fire

Take it to the, take it to the, take it to the floor

Side to side

I don't care; do a two's to there just

Make it right

No, don't you stop until your body drop

Flat line

And I bring it back right from your heart attack
Right on time
Right on time

Heart beatin faster and faster
Just see the green; let's go
Tryin so hard just to catch it
Before its about to explode

I got the fire: it's burnin
I need somebody to know
Movin so quickly; it's crazy
Fallin right out of my clothes

Hot like fire
Take it to the dancefloor
Hot like fire
Take it to the, take it to the, take it to the floor

Bodys shock
Tryin to keep up your heart might stop
Bodys shock
Go to work; make your body hurts
It's a BODY-SHOCK
Break your body off
Everybody who's out on the floor
Just work your body; some more

Hot like fire
Take it to the dancefloor
Hot like fire
Take it to the, take it to the, take it to the floor

Dance dance, step to this
Yeah dance dance
Dance dance, step to this
Yeah dance dance
Dance dance, step to this
Yeah dance dance
Dance dance, step to this
Yeah dance dance

Bodys shock
Tryin to keep up your heart might stop
Bodys shock
Go to work; make your body hurts
It's a BODY-SHOCK
Break your body off
Everybody who's out on the floor
Just work your body; some more

Hot like fire
Take it to the dancefloor
Hot like fire
Take it to the, take it to the, take it to the floor
