

## Corbin Bleu "Deal With It"

Visit "[Deal With It](#)" on MotoLyrics.com

We've been together for too long  
And we've been through too much  
To have the same conversations  
You seem to like so much

Still you gotta think I'm cheating  
You don't listen well  
I don't wanna talk girl (no)  
Why don't you just tell me what I,  
What I gotta do, girl, to get through to you  
So, I can ease your mind  
It's all about you girl  
If you don't know then you have got to

(chorus)  
Deal with it (ohh) I ain't telling you no lies (girl)  
You got to, Deal with it (ohh)  
Tell me why you roll your eyes  
Just, Deal with it (ohh)  
Cause you know, Ain't nobody but you (ohh)  
You should know, Ain't nobody but you

I don't really know what's with you  
Who's been feeding you lies (lies)  
What is with the constant questions (hmm)  
Girl you really ain't been acting right

I don't thrive off attention and  
That won't lead me to stray  
How can I make you see  
That doesn't flatter me  
All that I wanna know is what I,  
What I gotta do, girl  
To get through to you so  
I can ease your mind  
It's all about you girl  
If you don't know then you have got to

(chorus)  
Deal with it (ohh)  
I ain't telling you no lies (girl)  
You got to, Deal with it (ohh)

Tell me why you roll your eyes, just  
Deal with it (ohh)  
Cause you know, ain't nobody but you (ohh)  
You should know, ain't nobody but you

(bridge)

Look i, told you more than once  
And you really gotta understand girl  
Every time that you wanna front  
And you start to wonder where i am (l)  
I wish you would just stop acting this way  
I wish you just realize that you push me away  
Nobody, nobody, nobody, but  
Nobody, nobody, but you girl (push me away)  
Nobody, nobody, nobody but, (no ohh)  
Nobody, nobody, but you girl

(chorus)

Deal with it (ohh) I ain't tellin you no lies (girl)  
You got to, deal with it (ohh)  
Tell me why you roll your eyes, just  
Deal with it (ohh)  
Cause you know, ain't nobody but you (ohh)  
You should know, ain't nobody but you [repeat]
