If She Says yeah  
What will I say?  
Will I found the words to win her heart that day?  
'Cause she looked so fine, when she says yeah  
Look at that girl  
Seeing things, oops  
She just looked my way  
I gotta go, but I am gonna stay  
(You better make a pass, you better make it fast  
See I, see him strutting from across the room)  
Snap the bass and did my heart go boom  
(Don't want him yet, but I could want him soon)  
If I don't do this now, I am gonna go crazy  
My name's Corbin, what's yours baby?  
Corbin Who?  
Corbin Bleu  
well my name's Jane what's it to you?  
Do you know your beautiful  
Yeah and I am fiesty too  
I don't dance with strangers but I might with you  
If She Says yeah  
What will I say?  
Will I found the words to win her heart that day?  
'Cause she looked so fine (so fine), when she says  
yeah (yeah)  
And if she smiles and looks my way  
Should I go, or should I stay?  
'Cause I'll lose my cool (so cool), if she says yeah  
i thought she looked good before, but now I want her  
even more  
I didn't that he could dance like that,  
And normally I won't take a chance like that but  
(Ooh) Now Shake it the left  
(Ooh) Now shake it to the right  
(Ooh) Shake it all night

Shake it all night  
Shake it all night  
It's getting late, but I can't resist  
I wanna give that girl a kiss  
Should I now, or should I wait?  
(I gotta go, it's getting late)

Don't go now, just stay a bit  
You know I can't but I hope I am missed  
Before I did let me throw you this  
If She Says yeah  
What will I say?  
Would I found the words to win her heart that day?  
'Cause she looked so fine ,when she said yeah (yeah)  
And if she smiles and looks my way (looks my way)  
Should I go, or should I stay?  
'Cause I'll lose my cool (stay cool), if she says yeah  
I never ever thought I'd meet a girl like that  
Can't believe it, did I dream it?  
If She Says yeah  
What will I say?  
Will I found the words to win her heart that day?  
'Cause she looked so fine ,when she says yeah (yeah)  
And if she smiles and looks my way (looks my way)  
Should I go, or should I stay?  
'Cause I'll lose my cool  
if she says yeah (yeah yeah)  
If she says yeah  
What will I say? (What will I say)  
Will I found the words to win her heart that day?  
'Cause she looked so fine (so fine) when she says yeah  
(yeah)  
And if she smiles...
