Something's happen when (yeah)
When you don't expect.
All of a sudden you're falling in love.
Baby I feel this,
Between you and me.
Never thought I'd be saying this but you're the one.

I trip, I fall.
You're there, through it all.
Most times I really don't deserve it.
You give never take,
You bend, never break,
I know it's soon but I want you to know...

If I'm the sun,
Then you're the moon.
I freak out,
If I don't see you.
If I'm an eagle,
Then you're the wings.
You keep me up,
You're my everything.

Maybe it's too soon,
To be tellin' you,
But I really don't care I'll put it all on the line.
Cause I never felt,
And I've never seen,
Somebody like you that I can't get off my mind.
I trip, I fall.
You're there, through it all.
Most times I really don't deserve it.
You give never take,
You bend, never break,
I know it's soon but I want you to know...

If I'm the sun,
Then you're the moon.
I freak out,
If I don't see you.
If I'm an eagle,
Then you're the wings.

You keep me up,
You're my everything.

You're my everything [x2]
I've had an...
You're my everything...

If I'm the sun,
Then you're the moon.
I freak out,
If I don't see you.
If I'm an eagle,
Then you're the wings.
You keep me up,
You're my everything [x2]

You are my everything.
