(feat. Vanessa Hudgens)

[Corbin]

Lately I've been thinking
About the things that we've been through
And I don't know if I'd be here,
If not for you

I had to take a little time
To try to work things out
And you should know that
I have never meant
To let you down

[Both]

[Chorus]

Cause I, I
Wanna tell you that I'm sorry
And I, I
Even when I'm not giving enough
And I'm taking too much
You're still there for me
Even when I got nothing at all
And I'm ready to fall
You're still there for me
There for me
There for me

Even when I can't be there for you
You're always there for me

[Vanessa]

Sometimes I know I can be
So hard to understand (It's ok)
Even when I'm lost
You show me who I really am
Life with me hasn't always been an easy ride
But because of you I've learned
To lose my selfish pride

[Both]

[Chorus]

Cause I, I
Wanna tell you that I'm sorry
And I, I
Even when I'm not giving enough
And I'm taking too much
You're still there for me
Even when I got nothing at all
And I'm ready to fall
You're still there for me
There for me
There for me

Even when I can't be there for you
Oh you're always there for me yeah

Oh no it's love
Oooooouhhh (Oooohhh)
It must be love
Oooohh
It's gotta be real love (It's gotta be real love)

Even when I'm not giving enough
And I'm taking too much
You're still there for me
Even when I got nothing at all
And I'm ready to fall
You're still there for me
There for me
There for me

Even when I can't be there for you (When I can't be
there)
Even when I can't be there for you
You're always there for me
