### "The Fear Of Flying"

Some things last till the end of time  
But what we had just couldn't survive  
I got so used to you in my life  
So now that you're gone there's something missing  
inside

How can you expect me to just move on  
When you're what I lived for  
You're all I know  
Got so used to having you to lean on  
Without you I'm left with the fear of flying  
(Can't do it on my own) Flying  
(Can't do it on my own) Flying  
(Just can't do it on my own)Ooooh  
The fear of flying  
(Can't do it on my own) Flying  
(Can't do it on my own) Flying  
(Just can't do it on my own)Ooooooh

If time should heal the pain and the hurt  
Then why do I feel like it's getting worse  
Since you disappeared I finally learned that my biggest  
\* when I lost you girl

How can you expect me to just move on  
When you're what I lived for  
You're all I know  
Got so used to having you to lean on  
Without you I'm left with the fear of flying  
(Can't do it on my own) Flying  
(Can't do it on my own) Flying  
(Just can't do it on my own)Ooooh  
The fear of flying  
(Can't do it on my own) Flying  
(Can't do it on my own) Flying  
(Just can't do it on my own)Ooooooh

Now that I'm standing here at the edge  
If I trip, then I'm falling,  
without you my friend

I don't think you'll ever know how much you meant to  
me  
Why did our love had to end?

How can you expect me to just move on  
When you're what I lived for  
You're all I know  
Got so used to having you to lean on  
Without you I'm left with the fear of flying  
(Can't do it on my own) Flying  
(Can't do it on my own) Flying  
(Just can't do it on my own)Ooooh  
The fear of flying  
(Can't do it on my own) Flying  
(Can't do it on my own) Flying  
(Just can't do it on my own)Ooooooh
