Two worlds
Two worlds
Two worlds, one family

A paradise untouched by man
Within this worlds blessed with love
A simple life, they live in peace

Put your faith in what you most believe in
Two worlds, one family
Trust your heart
Let fate decide
To guide these lies we see

Two worlds, one family
Beneath the shelter of the trees
Only love can enter here
A simple life, they live in peace

Put your faith in what you most believe in
Two worlds, one family
Trust your heart
Let fate decide
To guide these lies we see

Softly tread the sand below your feet now
Two worlds, one family
Trust your heart
Let fate decide
To guide these lives we see

Raise your head up

Lift high the load
Take strength from those that need you
Build high the walls
Build strong the beams
A new life is waiting
But danger's no stranger here

Two worlds
Two worlds

Two worlds
Two worlds

No words describe a mother's tears
No words can heal a broken heart
A dream is gone, but where there's hope

Put your faith in what you most believe in
Two worlds, one family
Trust your heart
Let fate decide
To guide these lies we see

Somewhere something is calling for you
Two worlds, one family
Trust your heart
Let fate decide
To guide these lives we see

Two worlds
Two worlds
Two worlds
Two worlds, one family
Two worlds
