[Intro:]

You ready?
I don't think you are,
We come to party,

[Chorus:]

Turn it up,
Turn up the song,
Here's how it's done,
We come to party,
Breakin' down,
Come on move around,
Now scream and shout (let's get it started),
Don't you wait,
You know the way,
That's how we play,
Yeah, we can't stop it,
Here we go,
Let's half the show,
We're on a roll (We come to party),

[Verse:]

Ready over here?
Let me hear you loud, What you wanna do now?
Ready over there?
Let me hear you scream, Tell me what you need,
Gonna start it up,
Where you're right on time, we're about to hit the
lights,
Count down to one (ten, nine, eight, seven, six)
It's time for celebration (five, four, three, two, one!)

[Chorus:]

Turn it up,
Turn up the song,
Here's how it's done,
We come to party,
Breakin' down,
Come on move around,
Now scream and shout (let's get it started),
Don't you wait,
You know the way,

That's how we play,
Yeah, we can't stop it,
Here we go,
Let's half the show,
We're on a roll (We come to party),

[Verse:]

It's gettin' kinda hot,
And it's not just me, the crowd is going crazy,

Dancin' till we drop,
Gotta work that groove, show a little attitude,
Get off the wall,

Just have a good time, leave the world far behind,
Count down to one (ten, nine, eight, seven, six)
It's time for celebration (five, four, three, two, one!)

[Chorus:]

Turn it up,
Turn up the song,
Here's how it's done,
We come to party,
Breakin' down,
Come on move around,
Now scream and shout (let's get it started),
Don't you wait,
You know the way,
That's how we play,
Yeah, we can't stop it,
Here we go,
Let's half the show,
We're on a roll (We come to party),

[Bridge:]

Everybody now dance all night,
Never have to stop,
Let me hear you say one more time,
Let's turn it on,
Everybody now let it all out,
Gotta do your thang,
Everybody let's rock the house,
'Cause we come to party

(We come to, We come to party,
I said it, Lets get it, lets get it started,
We come to, we come to party,
I said lets get it, lets get it started)

[Chorus (Repeat):]

Turn it up,

Turn up the song,
Here's how it's done,
We come to party,
Breakin' down,
Come on move around,
Now scream and shout (let's get it started),
Don't you wait,
You know the way,
That's how we play,
Yeah, we can't stop it,
Here we go,
Let's half the show,
We're on a roll (We like to party),
